

SPONSORSHIP PACKAGE

Polite Moves is the premiere pole dancing events company. Putting together some of the most talented local performers, Polite Moves promises to deliver shows unlike any other, dancers twirl, spin, and climb their way up poles, fabrics and ropes.

Polite Moves seeks your sponsorship for "POLESTARS," a unique competition whereby pole dancing studios compete with each other to win prizes and bragging rights. Picture it as a battle of the bands or cheerleading squad competition, but for pole dancing.

Our next event is on December 9, 2010, at THE WHISKY in West Hollywood. We are currently looking for sponsors for the event. With the right sponsors we're able to offer great prizes, which fit our niche market, and financial sponsorship, which keeps the event alive. "PoleStars" aims to become the foremost national competition between pole dancing studios.

WHAT'S IN IT FOR YOU?

Your company's logo will appear on all of our printed materials and website. Your company's banner will be placed at the event (subject to certain requirements). You'll be included in our press releases and media interviews. POLESTARS reaches 1000's of pole dancers nationwide through our marketing team.
